Modern Founder of **PRANIC HEALING & ARHATIC YOGA**

GRAND MASTER CHOA KOK SUI

Our founder is the internationally acclaimed author of the book, *Miracles Through Pranic Healing* (3rd Edition). Originally published in 1987 as *The Ancient Science and Art of Pranic Healing*, Master Choa conceptualized a fresh and far deeper understanding of energy healing, using the readily available source of all life - Prana, called Pranic Energy or Vital Life Force.

This book has been translated into over 27 languages, and is distributed in more than 40 countries, including many locations in Asia, Africa, Central and South America, Europe, Canada and the USA.

A prolific author, other books written by Master Choa Kok Sui include: *Pranic Psychotherapy* (1990), *Advanced Pranic Healing* (1992), *Pranic Crystal Healing* (1996), *Psychic Self Defense for Home and Office* (1999), and *Meditations for Soul Realization* (2000).

Master Choa's style in presenting paranormal concepts and in unveiling inner (normally hidden) spiritual teachings, is simple, straightforward, and practical. His latest work, *The Universal and Kabbalistic Meditation on the Lord's Prayer* (2001), is a clear example of his brilliant ability to synthesize and connect major spiritual concepts that have generally remained separated by tradition and practice.

In this work, he combines the spiritual concepts of the Biblical Lord's Prayer, with the Kabbalistic Tree of Life, relating these two seemingly unrelated doctrines, with the ancient Indian tradition of the Chakras and Prana or Energy.

MODERN FOUNDER OF THE ANCIENT ART AND SCIENCE OF PRANIC HEALING

Recognizing multiple applications for the use Prana or Pranic Energy, Grand Master Choa Kok Sui is one of

the greatest Master's of Energy of our generation. In developing the modern Pranic Healing techniques used today and known as 'MCKS Pranic Healing,' Master Choa created a new standard of perception regarding healing itself.

Master Choa not only conceived the comprehensive techniques designed to cleanse and energize the physical body, thereby accelerating the rate at which the body can heal itself, he even originated new, never before used terms, to thoroughly clarify the concepts he devised. Master Choa successfully has demonstrated that energy is an important factor in healing the physical body, and through employing Pranic Psychotherapy, also in healing the psyche.

Master Choa formulated an easy to learn, user friendly system, so brilliantly simple that even new students can rapidly learn to heal simple ailments, enabling them to produce immediate positive results that contribute to good health and well being.

Master Choa's students are blessed to learn numerous methods for achieving success in life, by employing his remarkably effective techniques. These powerful tools clearly reflect his extensive grasp of the numerous applications of energy and of his deep comprehension of life itself.

Through Master Choa's teachings, his students are able to create more balance and to maintain greater success and harmony, as he guides them through the enormous range of possibilities regarding the application of Prana, or Vital Life Force to nearly every aspect of life.

FOUNDER OF ARHATIC YOGA

For those seekers on the spiritual path, Master Choa has developed a system of practices that leads to greater soul (or self) realization. Arhatic Yoga is nonsectarian, and can become an enhancement to the understanding of any individual willing to accept the existence of a Higher Being or

a God. This fantastic synthesis of various yogic practices (from many traditions), introduces the spiritual disciple to a banquet of methods devised to safely accelerate spiritual growth. These powerful techniques use ancient technology in original and creative combinations in order to activate and align the chakras and to awaken the kundalini energy or the "sacred fire."

Arhatic Yoga is an advanced meditational technique, that proportionally balances aspects of Universal Love, Intelligence and the Will. Practitioners are thereby able to develop higher intuition, advanced mental powers, stable emotions, clearer qualities of good character and are able to move more rapidly toward becoming totally integrated beings of Divine Light.

THE SCIENTIST

Initially trained as a chemical engineer, now students often refer Master Choa as a "scientist of the soul." This scientific orientation enabled him to carefully systematize the techniques of pranic healing and arhatic yoga.

Through extensive research, Master Choa developed a discipline called "technology of the Soul." The implications of this are profound, powerful, far-reaching and exciting for mankind. A portion of this material, was originally presented in Meditations for Soul Realization, and more is given in this book, Universal and Kabbalistic Meditation on the Lord's Prayer. Even more advanced teachings are transmitted to senior disciples and advanced students during special intensive workshops.

THE TEACHER

People often wonder how an astute, self-made businessman and adept scientist can be an enlightened guru. These are the qualities that make Master Choa a unique spiritual teacher for this modern time. Ceaselessly, he travels across around the globe, teaching people in all walks of life.

One of his distinctive qualities as a teacher is his ability to cause significant shifts of consciousness in his students. By the end of a two day workshop, his students can experience spiritual elevation, mental alertness, emotional balance and a higher level of energy. His pragmatic teaching methodology, enables his stu-

dents to obtain volumes of lessons that will be relevant for an entire lifetime. Not only can these individuals experience significant improvement in themselves, but upon becoming teachers, they can also transfer this advanced technology for change to others.

THE AUTHOR

The dynamic style of Master Choa Kok Sui's teaching is equally reflected in the direct, uncluttered style of his writing. While it may not be possible for everyone to experience Master Choa's wisdom and energy by personally attending his workshops, by reading his books, a reader may have greater understanding of the Master's unique technology for rapidly achieving a higher degree of Oneness with their Soul, may discover many esoteric "secrets," and learn practical techniques for living life more fully with less stress and with greater productivity.
