Master Stephen Co is a senior disciple and personal student of Grandmaster Choa Kok Sui, the founder of PRANIC HEALING. He and his wife, Daphne, started the first PRANIC HEALING center outside of the Philippines, the American Institute of Asian Studies, LLC, in Chino, California, to promote and teach PRANIC HEALING the United States.

Master Co is a internationally renowned lecturer, trainer and practitioner of PRANIC HEALING, who has taught the art of healing and human energy studies to thousands of students in the United States. He is also the co-author of "Your Hands Can Heal You" with Dr. Eric Robins and John Merryman. His students include hundreds of physicians, nurses, dentists, acupuncturists, chiropractors, social workers, psychologists and alternative

healthcare practitioners.

Over the past ten years Master Co has introduced PRANIC HEALING into the medical community through his students who have offered classes at medical teaching centers, while he himself has shared PRANIC HEALING at numerous hospitals, including Kaiser Permanente and Cedars Sinai Medical Center in Los Angeles, and Barnes Jewish Hospital in St. Louis. His prowess as a healer and teacher has garnered him appearances on "Hard Copy," and Los Angeles television stations NBC-4, KABC-7, KTLA-5 and KTTV-9, KCBS-2, as well as the popular "Mark and Brian Show" on Los Angeles morning radio station KLOS.

His unique expertise comes from his experience as an engineer, successful businessman, lecturer, healer and parent, as well as through his practice of ARHATIC YOGA and martial arts.
